## ABOUT US

We are a full service accounting firm that provides services to individuals, businesses and trusts. As your financial advisor we will help you to grow your business successfully. We will provide support, tools and mission critical reports in a timely manner so you can make sound business decisions. Whether it is a start-up business or a well established business, our job is to provide you with solutions and not just numbers. We are proud of our reputation and the unique solutions we can provide to your financial needs.

## WE PROVIDE THE TOOLS & PERSONALIZED SERVICE

*to help you make timely and informed business decisions*

### BUSINESS STARTUP CONSULTATION

Business planning is the key to success for new startup and established businesses. We can help you prepare a business plan including marketing, financial and risk analysis of your new venture. We can help you prepare a strategic and operational plan so you can achieve your short and long term goals.

### BUSINESS VALUATION

There are many reasons for determining the value of a company, such as, purchase or sale of a business, mergers & acquisitions, raising business loans or other insurance matters. We can help you determine the value of your business.

### TECHNOLOGY IMPLEMENTATION

Modern technology can help businesses to gather, store and process financial and accounting data that is critical to decision makers. Our consulting team can help you implement new technology in your office. We can help you to setup a computerized accounting system which will produce meaningful results to achieve your objectives and goals.

### ADVISORY & MANAGEMENT SERVICES

Our qualified staff has years of experience in the business world and can help you with your daily business operations, finances,

budgeting and different business strategies which could be critical for your business growth; and to make an accurate and timely business decision. Our staff has a strong background assisting clients with different business sectors, such as, manufacturing, professional services, construction and others.

### TAXATION SERVICES

We prepare personal, business and trust tax returns. Our objective is to help you pay as little taxes as possible by utilizing the latest tax legislations, deductions and credits available to you. We keep you informed with latest tax changes that might affect you and your business.

### FINANCIAL STATEMENTS

As a busy owner of a business, you need a financial advisor who can

## WE WORK YEAR - ROUND

*to minimize your tax burden*

## WHY CHOOSE US

• We will take time to listen to where you want to go, and will strive to get you there. If we are not adding value to your business, then we are not doing our job.

• For over 12 years, we have been helping businesses like yours.

• We make every effort to anticipate your needs and exceed your expectations.

• You are not just a customer, you are a friend and we will go the extra mile to do what it takes for your satisfaction.

• We handle your record keeping, allowing you to stay focused on management, revenue growth and maximizing your profit.

• We don't just process tax returns, we take the time to do it correctly and accurately.

prepare accurate and timely financial information so you can make well informed business decisions. We offer a full range of financial statements that include:

- Audited statements
- Reviewed statements
- Notice To Reader

### Additionally

- Budgeting & Forecasting
- Cash-Flow Projections
- Loan Proposals & Business Plans

We can also help you interpret these financial reports.

### AUDIT APPEALS

Our qualified staff can help you with taxation appeals, including filing notice of objection, and negotiating with Canada Revenue Agency regarding penalties, interest charges and other assessments.
